Ambulance pact

By HARRY BARNES
Press-Record Staff Writer

The agreement, the first established for ambulance drivers who began working for the city in March 1977, has been ratified by the employees and was approved by City Council members last week. It will affect 20 ambulance drivers.

The pact also establishes fringe benefits for the EMT ambulance operators similar to those of the police and fire departments, including a schedule of longevity pay, fully-paid insurance, paid holidays, a clothing allowance and time and a half overtime pay.

Acceptance of the agreement by both the city and the EMT's (Continued on Page 3)

Priest is jailed

The Rev. Edwin F. Arentsen, 61, was sentenced in court in Granite City Friday afternoon to serve 30 days in the Madison County Jail for contempt of court.

The anti-abortion priest who was on probation after being found guilty in February of disorderly conduct during a protest at the Hope Clinic for Women, 21st and Iowa streets, Jan. 19, was charged Friday by Associate Judge Thomas Gibbons with failure to appear before his probation officer in Edwardsville at 10 a.m. Friday in what Gibbons described as a "final opportunity" to comply with his probation terms.

At 11 a.m. Friday, Gibbons issued an attachment for contempt of court warrant and police re-arrested Rev. Arentsen near Hope Clinic where he was picketing.

He was placed behind bars at the Granite City Jail and Judge

Gibbons set a hearing for between 1 p.m. and 3 p.m. Friday on the contempt of court charge.

The hearing began at 3 p.m. with Rev. Arentsen represented by his attorney, Richard Allen, and the state represented by Assistant State's Attorney Casper Nighohossian.

What was to have been a brief hearing to force Rev. Arentsen to agree to obey the terms of his probation turned into a two and one-quarter hour legal battle, which became heated, at times.

At one time when Judge Gibbons was demanding that Rev. Arentsen declare whether or not he intends to comply with the terms of his probation, the judge stated, "You have, with considerable fanfare, prompted this confrontation and I must have an answer."

"If you refuse, in all honesty, I have no choice. It is up to you to make a... decision on what you will do now. I am telling you that if I don't get your cooperation, that's what you will get 30 days in the county jail," the judge warned the priest.

Rev. Arentsen contended the terms of the probation, he believes, exceed the maximum sentence for the misdemeanor crime of disorderly conduct which is 30 days in jail and a \$500 fine.

Gibbons initially sentenced him in March to serve 18 months of probation and to go to the county jail "on the prescribed day of worship" of the Catholic faith and to help the inmates for 30 consecutive weekends. The period of probation later was reduced to one year.

Rev. Arentsen took the stand in his own defense at the contempt hearing and said he did not think he would be sentenced to the maximum term, since he was blocking only one door to the clinic and adjoining doctor's office, and there was another door through which people could enter unhindered.

"Finally I heard the terms of the probation which said this, and that, and that. It was two or three times as severe as the law allowed. I was not fined \$500, but from my parish near Belleville, the cost of travel to the jail for 30 weekends could be \$1,500 to \$2,000," the priest stated.

Nighohossian objected to questioning of the sentence, (Continued on Page 3)

LED TO CELL, the Rev. Edwin F. Arentsen is escorted from the lobby of the Granite City police department into the cellblock area Friday morning after being arrested on a warrant alleging contempt of court. Friday afternoon, Associate Judge Thomas Gibbons sentenced him to serve 30 days in jail for failure to report to his probation officer. The priest was found guilty by a jury Feb. 16 of disorderly conduct in connection with an anti-abortion demonstration.

I-270's circle to be completed

Governor James R. Thompson announced Friday that Illinois has received federal approval for a 5.8-mile addition to Interstate 270 in this area.

The project was announced by U.S. Transportation Secretary Brock Adams through the Federal Highway Administration.

The 5.8-mile stretch will run with an uninterrupted highway around the St. Louis metropolitan area. The addition will cost about \$50 million, Gov. Thompson said, with the federal government providing 90 percent of the (Continued on Page 3)

20-30-year terms

Two 19-year-old East St. Louis youths who have been found guilty of armed robbery and rape stemming from a Madison home invasion, have been sentenced by Circuit Judge Joseph J. Barr to serve 20 to 30 years in prison.

The 20 to 30-year sentence for the rape case is to run concurrently with a 10 to 20-year sentence against each for armed robbery.

Robert Bacon was found guilty by a jury of eight women and four men of the Oct. 31, 1977, incident and Otis Carlidge was found guilty by Judge Barr at a bench trial, both in February.

Continue suspension

Suspended Madison Police Sergeant Richard Krieschok, who is under federal indictment charging racketeering activities and perjury, agreed during a Madison Board of Police and Fire Commissioners hearing Saturday morning to have his suspension continued until federal charges against him are disposed of.

Madison policemen — Alderman Ronald Grzywacz and Edward Goclan — were indicted by a federal grand jury March 31 on racketeering charges, alleging they conspired to accept payments and favors from tavern owners and other businesses to allow prostitution, late closings and other illegal activities.

In return for not being dismissed by the commissioners, Krieschok agreed to a stipulation that he not be entitled to back pay or benefits for the period the federal case is pending, if he is found innocent of the federal charges.

Since both Grzywacz and Goclan resigned from the Madison police department July 24, 1974, amidst a city investigation into police operations, they were not directly involved in Saturday's police board hearing, but did (Continued on Page 4)

R. Kamath, fourth from right, holding the Granite City club's banner as Don Shaffner, president of Granite City Rotarians, accepts the banner of District 318 in India. From left are Shankar C. Patil, Suresh Pai

N. Kenneth Evers, Rotary past district governor, Dr. Kamath, Shaffner, C. A. Purushotham, B. S. Surendra and M. Jayarama Rai. The delegation visited Granite City Steel Tuesday morning and then toured facilities of the Tri-City Regional Port after the luncheon and later visited the Gateway Arch. The group will remain in Illinois until May 6.

**Solar research among
summer study projects**

Ten SIUE faculty members have been selected as winners in the summer research fellowship program. Two alternates also were named. The fellowships provide \$2,500 stipends to allow faculty members to work full-time on their research projects during the summer quarter. Winners were selected from 24 entries, representing the physical, biological, behavioral and social sciences, as well as the arts and humanities.

The summer program is one of several programs offered by the SIUE Graduate School to provide university support for researchers. The 10 new research fellows are:

John Barker, professor in the department of philosophical studies, for "A Casual Analysis of Knowledge."

Arthur J. Braundmeier, associate professor in the department of physics, for "Photothermal Solar Absorbers."

Leila Daw, assistant professor in the department of art and design, for "Large Scale Lithographic Printmaking on Fabrics."

Pamela Hibbs Decoteau, assistant professor in the department of art and design, for "An Investigation into the Relationship of Color to Color's 'Enthroned Madonna' and 'Sts. Michael and Agnes.'"

Douglas J. Eder, assistant professor in the department of biological sciences, for "Hyperbolic Dependence of Retinal Responses on Intensity Recording from Single Photoreceptor Cells in the Parietal Eye."

John Farrell, assistant professor in the department of government, for "Political Mobilization and Competition: Southern Congressional Elections, 1964-76."

Paul E. Goldenbaum, assistant professor in the department of biological sciences, for "Role of a Membrane-Bound Receptor Protein in Regulation of the 'up' genes in Escherichia coli."

William S. Hamrick, associate professor in the department of philosophical studies, for "An Existential Phenomenology of Law According to Maurice Merleau-Ponty."

David L. Kohfeld, professor in the department of psychology, for "Stimulus Discrimination and Attribution Switching in Children: A State Analysis of Reaction Time."

Alvin Sullivan, associate professor in the department of English, for "D.H. Lawrence at Work: Early Poems and Variations."

The alternates are: Charles A. Corr, associate professor in the department of philosophical studies, for "Philosophical Perspectives on the Hospice Program: St. Luke's Hospice, Springfield"; and Charlotte J. Frisbie, professor in the department of anthropology, for "The Disposition of Traditional Navajo Bundles, or 'Jish'."

**GC council to
discuss city's
overpass plans**

Granite City Council members are to meet in an informal session at 7 p.m. Tuesday, May 9, with Aaron Pierson, vice president of the M.W. Architects & Engineers, to discuss the development schedule for the downtown overpass project, it was agreed during a regular council meeting last week.

The meeting was arranged at the suggestion of Mayor Paul Schuler who said the timetable for the \$6 million overpass project has been running behind and that any delay could endanger the availability of funds to the city from the Federal Urban Aid System which is expected to finance a portion of the overpass construction.

Mayor Schuler said he believed a discussion with Pierson would answer any questions the aldermen may have concerning planning, construction and grant application deadlines. M.W. Architects & Engineers, a St. Louis engineering firm, is the Granite City consulting engineers for the overpass job. At the same time, Schuler indicated Pierson also could answer questions concerning several uncompleted phases of the secondary sewage treatment plant for which the M.W. firm also served as engineers.

**Quad-City students
active as volunteers**

Students at Southern Illinois University at Edwardsville contributed a total of 1,388 hours to volunteer services in the metropolitan area during the winter quarter through the Community Involvement Project (CIP). Mary Louise Brown, coordinator of Special Programs at SIUE, said Friday, "The volunteers exceeded the goal reached in the fall quarter by 407 hours."

Those taking part in the Venice school district tutoring include: Cindy Stype, Collinsville; George Chester and Ron Page, East St. Louis; Nelson Roberts, Diane Quade and Elfe Roberts, Edwardsville; Ann Kiem, Oak Park. Michael Bailey and Laura

Pearce, O'Fallon; Brad Evans, Scott Air Force Base; Debbie Schumacher, Trenton. Joyce Stapleton, Kirkwood; Denise James, East Orange, N.J.; and Laura Friedman, Plainville, N.Y.

attendant to support Krieshok. Their attorney, Lawrence J. Fleming of St. Louis, stated before the hearing that Krieshok "vigorously protests the suspension, but just doesn't want to be in a position to lay out his defense here and then have to lay out his defense in Springfield (before federal officials)."

Fleming told the three commissioners, John Bridick, Edward Ray Dubish and Joe Besserman, that any action against Krieshok should be continued until federal charges are disposed of.

"To require him to present his defense before this board may jeopardize his Constitutional rights in the pending criminal case," he stated.

Madison City Attorney Casper Nighossian noted that the board already had denied a motion Fleming previously submitted in writing asking that actions against Krieshok be withheld to protect his constitutional rights.

However, Nighossian said, the board should consider a stipulation reached by both attorneys for Krieshok to remain on suspension during the federal proceedings, for up to one year, on terms requiring him "to waive all salaries, wages and benefits of the Madison Police Department until disposition of this matter."

When federal charges are disposed of, or at the end of one year, which ever comes first, the commissioners will hold another hearing on the charges against Krieshok.

Nighossian also said the stipulation, which had not yet been put in writing, would not preclude the board from taking actions against Krieshok on any other allegations, should any come before the commissioners.

After Nighossian outlined the stipulation, Dubish asked Krieshok if it was agreeable to him and Krieshok said it was. The commissioners then voted unanimously to accept the terms and continue Krieshok's suspension.

'Sun' tour stresses alternative energy

State energy officials celebrated Sun Week and toured a coal mine today, according to State Representative Joe Lucco (D-Edwardsville), chairman of the Illinois Energy Resources Commission.

Members of the commission and other state officials, including Marvin J. Nodiff, director of the Illinois Division of Energy, participated at a ribbon cutting ceremony at 10 a.m. today at the new Sundust solar manufacturing company in Virden.

Commission members then toured the Monterey Coal Mine before holding a meeting in Carlinville.

Lucco said, "The visits by state and federal officials to manufacturing and coal mining facilities point out two principal alternative sources of energy to

our dwindling supplies of oil and natural gas."

"The state has much to gain from the use of coal. Illinois has coal like the Arabs have oil. The chief problem with more extensive use of Illinois coal is its high sulfur content, an air pollutant."

"Toward overcoming this problem, the General Assembly has empowered the Illinois Energy Resources Commission to approve coal research and development requests from the \$65 million of the Illinois Coal and Energy Bond Act."

Regarding the observance of Sun Week May 17, including sun day May 3, Illinois citizens can take particular of note by the 80th General Assembly. Illinois is now a national leader in the solar field and in other forms of alternative energy."

Earnings increase forecast

Post Corporation has budgeted a 20 percent increase in earnings for 1978, stockholders were told Thursday at their annual meeting.

Company officers said they expect continued strong demand for advertising time and space for the firm's newspapers and broadcast stations. There was a 49 percent increase in 1977 earnings over the previous year.

LaMarr J. Jackson of Rochester, N.Y., affirmative action coordinator for Monroe County (Rochester), was elected to a three-year term on Post Corporation's board of directors.

She succeeds William H. Zuehlke Jr., a retired senior vice president of Post, who has been a director since 1961, and Mrs. Walter, vice-president, since 1962.

Directors re-elected to three-year terms were V. I. Minahan and Mary M. Walter.

Minahan, president of Post, has been a director since 1961, and Mrs. Walter, vice-president, since 1962.

Motorcyclist hurt seriously

Michael Ditch, 25, of 1730 Fourth St., Madison, is in serious condition today at a Firm Desloge Hospital, St. Louis, with multiple injuries sustained in a motorcycle accident.

Ditch was found unconscious some distance from his motorcycle at 3:15 a.m. today, along Maryville Road, about two miles north of its junction with Route 162.

He suffered multiple cuts to his face and chin and a neck injury.

Initially, Ditch was taken by City Ambulance to St. Elizabeth Hospital in an unconscious state. A cervical collar was applied and he was transferred to Firm Desloge Hospital.

The cyclist was traveling south on Maryville Road when the machine apparently hit the curb, causing Ditch to lose control. He was thrown from the cycle into a utility pole, about 180 feet from the initial impact with the curb.

The machine apparently continued on without the rider, stopping nearly 40 feet from its rider.

HUSBAND IS ARRESTED

Leo J. Furtak, 29, of 4044 Gaslight Walk, Apt. 1, was arrested by Pontoon Beach police early Friday on a battery complaint signed by his wife, Becky Furtak. He was released after posting bond.

Court warrants to watch foreign spy?

By ROBERT ESTILL, Press-Record

Washington Bureau Rep. Robert McClell, R-Lake Bluff, is wary of domestic electronic eavesdropping but thinks the courts should stay out of the spy game.

McClell, ranking Republican on the House Judiciary Committee, has been a critic of abuses of electronic surveillances by government agencies. But he vigorously opposed pending legislation which would require the FBI, Central Intelligence Agency, National Security Agency or other agencies involved in foreign intelligence to get a warrant from the courts before planning their "bugs."

He sees nothing inconsistent in that position. It is a matter of who is spying on whom.

"And it should be based on facts that there is some criminal activity being investigated or fear of a criminal action," he said.

But he does not believe warrants should be required for keeping tabs on a foreign spy, or embassies engaged in spying here, or U.S. citizens involved in foreign intelligence.

Requiring courts to issue warrants could cause executive branch investigations to be frustrated by the judiciary — and would increase the possibility of leaks, he said.

Another concern of McClell's is the matter of accountability. If warrants are required, the executive branch could "pass the buck" to the courts for any abuses.

Congress, not the courts, should be the watchdog against abuses by the intelligence community, McClell said.

Under guidelines issued in an executive order by former President Gerald Ford, the House and Senate were given oversight responsibility for

foreign intelligence.

The "good guys," the U.S. intelligence agencies, are supposed to go before the House and Senate Intelligence Committees before making electronic surveillances.

The purposes of the committee appearances are to outline what steps are being taken to insure that innocent people won't be spied upon, and that any information inadvertently gathered on the innocent will be destroyed.

"There have been no abuses of those guidelines since they were promulgated by Pres. Ford two and a half years ago," McClell said.

The committees do not have specific authority to block the eavesdropping, but "we could put them on the pan for violating their own guidelines," McClell said.

He has introduced legislation to transform that executive order into law.

It basically would follow the Ford guidelines, except that it also would subject abusers to criminal and civil liabilities.

The Senate apparently does not share McClell's apprehensions about the courts getting into the act; it recently passed, on a 98 to one vote, a bill requiring warrants. Similar legislation is pending in McClell's committee.

"They (the Senate) did not even look at it. I don't think," McClell said.

But the House is now taking a closer look, and McClell is optimistic that whatever spy bill comes out of Congress will have a strong resemblance to his proposal.

Ironically, the House sponsor of the competing legislation requiring warrants is another Illinoisan, Rep. Morgan Murphy, D-Chicago.

"I am not opposing him," said McClell. "I am just trying to educate him."

DR. RICHARD CHEN examines a patient. He is a native of Taiwan.

Contrast in U. S., Chinese physicians

The newest addition to the medical staff of the Southern Illinois University at Edwardsville Health Service is Dr. Richard Chen, a native of Taiwan. His appointment is subject to approval by the SIU Board of Trustees.

A specialist in internal medicine, Dr. Chen plans to divide his time between the university and his private practice in Collinsville. His appointment at Health Service will fill the vacancy left by Dr. Harry H. Hartleb, who is planning to retire in May.

A newcomer to this area, Dr. Chen is particularly pleased that he is able to meet many new people through the university.

He received his bachelor's degree from Taipei Medical College in Taiwan in 1966. He was a resident of internal medicine at the Taiwan Adventist Hospital, an intern at Homer G. Phillips hospital in St. Louis, and a resident at St. Luke's hospital in St. Louis before coming to SIUE. He also received cardiology training in 1976-77.

Dr. Chen decided to locate in this area because of his attraction to the towns in this

vicinity and their convenient setting. "This area is ideal for me," he said.

Dr. Chen sees a great difference between practicing medicine in the United States and China. In China, he explained, doctors set up their practices in their homes.

If the patient has a medical problem needing further expertise, he is sent to a hospital and a different doctor. Dr. Chen said this presents a problem in that a doctor is unable to follow his patient's progress.

Here, he noted, a doctor is able to continue treating the same patient, even if the person is sent to a hospital. He also said that post-graduate medical work is better in the United States.

For example, he said, doctors are better able to keep up with new technologies and medical discoveries than in China.

Dr. Chen, his wife, Lih Hwa, and son, Sherwin, reside in Collinsville.

Hearing set by housing board

The board of directors of the Madison County Housing Authority will hold a dismissal hearing this Thursday evening in connection with the suspension of the authority's Section 8 rent subsidy program director.

The meeting will be held in the main offices of the housing authority, 1609 Olive St., Collinsville.

Mrs. Nancy May Reeves, the program's director, was suspended in February without pay until the hearing.

The program's records were secured April 5 from the authority's offices due to alleged irregularities in the records. The Federal Bureau of Investigation is studying the records.

Ford story Wednesday

Although Henry Ford insisted that "history is more or less bunk," he left behind extensive documentation of his own personal history. The Ford Film Collection consists of nearly two million feet of film, much of it never seen by the public. It forms the basis of Nova's "Road to Happiness," which airs at 9 p.m. Wednesday, May 3, 9 p.m. Sunday, May 7, and 10:30 p.m. Tuesday, May 9, on Channel 9.

Originally founded in 1914 as an experimental industrial film unit, Ford's film company by 1918 had become the largest motion picture distributor in the world.

There were Ford newscasts, dramatic films and "educational weeklies" on such topics as "Electricity on the Farm" and "How Ford Makes 1,000 Cars a Day," a film of the first moving assembly line.

There also was a series devoted to American cities. All were shown in 7,000 theaters and dealerships across the country.

The collection, in addition, tells the story of the shy, nearly illiterate farm boy from Dearborn, Mich., who became part of America's legendary past.

"Mr. Ford," as he was invariably called by all but his wife, did not invent the automobile or the assembly line or the mass-produced automobile. However, he had an idea: that mechanization could make things better.

This concept, along with his ability to organize and surround himself with talented engineers and designers, was the reason he became the center of an industrial revolution that transformed America's social habits.

His refinement of the assembly line made the auto industry the backbone of the American economy. It formed the basis for sophisticated concepts of corporate production which today are applied to the aeronautics industry and to hamburgers.

Ford was also the first to recycle waste products in auto production, and his experiments with the all-metal trimotor airplane helped launch commercial flight and mail transport.

3 women hurt

Three young women were injured when the cars of Kevin Carney, 2418 E. 24th St., and Marshall Payne Jr., Rural Route One, Box 49, Granite City, collided at 27th Street and Madison Avenue at 1 p.m. Thursday.

Treated at St. Elizabeth Hospital after the accident were three passengers, Mary White, 17, of 2710 Iowa St., Angela Griffey, 17, of 2564 E. 27th St., and Connie Thomas, 22, of 1404 Madison Ave.

Miss Thomas was admitted for observation with low back pain and injuries to her knees and forehead. Miss White was released after X-rays of her head and hip. Miss Griffey bumped her head during the accident and was released after X-rays were taken.

Limit would have raised local taxes—Vadalabene

Senator Sam M. Vadalabene, D-Edwardsville, said Friday he voted against the proposed Constitutional amendment limiting state spending "because its adoption would have caused skyrocketing property taxes in every one of the state's 102 counties."

"The Senate acted responsibly, and on behalf of homeowners and other real estate taxpayers, in defeating the proposal."

"If we had passed this, virtually every homeowner in Illinois would have seen his real estate tax bill soar to record heights. The property tax is

widely recognized as the most unfair and unacceptable of all taxes."

"Placing a ceiling on state spending equal to seven percent of Illinoisans' personal income is completely unrealistic. And it would place unbearable pressure on the local real estate tax to generate revenue to operate county and municipal government as well as our local school systems."

Se. Vadalabene said that in the current state budget year, as well as the last budget year, state spending equaled more than eight percent of Illinoisans' personal income.

Theodor Moeller rites held

Funeral services were held at 10 a.m. Saturday, April 29, at St. Paul Lutheran Church in Troy for Theodor Moeller, 79, of Rural Route One, Troy, a retired employee of General Steel Industries.

He died at his home on Tuesday.

Mr. Moeller was born in Chester, Ill. He was a member of St. Paul Lutheran Church and also belonged to the Madison County Farm Bureau.

Survivors include his wife,

Mrs. Maria (VanBuren) Moeller; two sons, Bill Moeller of Collinsville, and Charles Moeller of LaMesa, Calif.; a brother, Alvin Moeller of Arizona; three sisters, Mrs. Regina Schneider of New Athens, Ill., Mrs. Charles (Frieda) Knecht of Madison, and Mrs. Theodore (Louise) Caupert of Cutler, Ill.; and four grandchildren.

Burial was in Sunset Hill Cemetery, Edwardsville Township.

"Consequently, 'had an amendment like this been in effect, the state would have had far less money to give our schools and local governments. They, in turn, would have been compelled to raise property taxes to make up the difference. That is totally unacceptable."

"Local governments need more — not less — financial assistance from state government. In addition, increased state funding is necessary for highway maintenance and improvement, full funding of the school-aid formula, and other desirable services demanded by Illinois citizens."

Vadalabene commended Governor James Thompson for joining in the successful effort to defeat the proposed amendment.

The senator concluded, "Opposition to this amendment does not imply support for wild and reckless state spending. We have an obligation to spend taxpayers' money wisely and judiciously."

"But a rigid, inflexible spending ceiling is a completely unrealistic and unable way to achieve fiscal responsibility."

United Way Community Services Center for furniture and clothing

Two local United Way organizations, Co-ordinated Youth Services and the American Red Cross, along with the Tri-Cities Area United

Way, have joined in a cooperative venture to provide central community services to families and children presently served by both organizations for clothing and furniture needs.

The Tri-Cities Area United Way president, William F. Winter, said, "This joint effort also will permit local people — who find themselves with an excess of good, usable clothing, furniture and household goods to donate such items for the emergency needs of other people served through United Way-supported organizations."

The program developed jointly by Co-ordinated Youth Services and the Tri-City American Red Cross Chapter involves a broad spectrum of people and groups in addition to the United Way.

The joint United Way staff coordinating committee consists of Mrs. Barbara Kent, social worker, Larry Miller, United Way labor staff director, Mrs. Mildred Meehan, Red Cross executive secretary, and C. A. MacMillan, Co-ordinated Youth Services executive director.

A committee spokesman said, "The United Way Community Services Center will be used as a depository for local citizens in Pontoon Beach, Granite City, Madison, Venice and Mitchell to donate items."

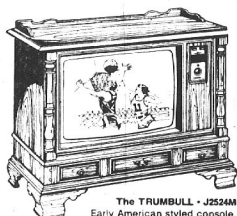

"Designated areas will be set aside for referrals from local agencies."

"School children have been assigned a priority position to help insure adequate clothing for school attendance."

"Also, a volunteer program committee will be formed through Mrs. Barbara Moore to assist in the center operation, including coordinating work in sorting, minor repairing and scheduling hours for distribution."

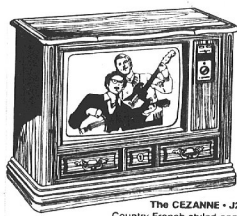

The Coordinating Committee last week advised the United Way executive committee that

Extend emergency energy funding plan

The Madison County Economic Opportunity Commission was notified Friday morning that the Community Services Administration is extending the emergency energy assistance program to May 20.

An additional 000 has been promised for this extension. There are 6,300 households in Madison County which are eligible. Thus far, 1,525 households have been served. Applications are being taken in 30 places in Madison County.

"The difference in this program and the previous program is that the payment is only for unpaid energy cost, with an absolute maximum of \$250," EOC Director Edward P. Schenk said.

"Because of program limitations, applicants who have already applied cannot be permitted to submit further applications."

Van is looted; 2 flee on foot

About six tires and a tool box and tools were stolen from the van of Dennis Hinchelliff, 2 Williams John Court, in the 2400 block of Washington Avenue about 8:40 p.m. Saturday.

Charlie Ragan, 2623 State St., said he had borrowed Hinchelliff's van and parked it. When he came back to the van at 8:40 p.m. Saturday to get cigarettes, he found two youths inside the van who fled on foot. He chased one south on Washington Avenue, but the youth eluded him.

Ragan discovered the ignition switch had been damaged in an unsuccessful attempt to start the car and the stolen items were missing. The area was searched but officers could not find any type of vehicle which could have been used to take the tires and tools from the van.

Couple arrested after disturbance

Richard D. Genovese, 28, and his wife, Elizabeth J. Genovese, 25, both of 2420 Sunbury Ave., were arrested at their home following a neighborhood disturbance at 1 p.m. Saturday.

Police found people yelling and cursing in the rear yards of the Genovese home at a man in the yard of the adjoining home at 2416 Sunbury Avenue. When officers approached, one man at 2420 Sunbury Ave., allegedly used profanity towards the officers and ran in the house. Others continued yelling and cursing at a St. Louis man visiting next door, officers said.

After a woman went in the Genovese home, Granite City Patrolman Jerry Wilson knocked at the front door and when a man answered, he asked him to come outside and talk. Wilson alleged the man cursed and slammed the door, with it almost striking the officer's face.

Wilson said he then kicked the door open and entered to arrest the man. A woman allegedly jumped on him and blocked the doorway to prohibit other officers from entering.

The woman was pushed aside and the man was grabbed and surrendered without resistance, officers said. Richard Genovese was charged with disorderly conduct and resisting arrest and Elizabeth Genovese was charged with disorderly conduct.

Both were released at 5:30 p.m. Friday after posting cash bail. He posted \$150 and she posted \$100.

The woman was pushed aside and the man was grabbed and surrendered without resistance, officers said. Richard Genovese was charged with disorderly conduct and resisting arrest and Elizabeth Genovese was charged with disorderly conduct.

Selected as 'woman of year'

Geraldine Taylor Peeples, the daughter of Mr. and Mrs. Willie Taylor, 100 Booker St., Madison, was selected as "woman of the year" by the Zeta Omega Zeta Chapter of the Phi Beta Sorority at Saginaw, Mich.

She was honored in late April at the organization's 12th annual observance of "Finer Womanhood."

The award, which recognizes active involvement and participation in community service, was accompanied by an engraved plaque from the organization and a resolution from the Michigan legislature.

Mrs. Peeples was described as "deceptively soft, languid, vulnerable. The soft-spoken Gerri is a hard worker, enthusiastic, energetic and bursting with creative talents."

She attended Venice-Lincoln Elementary School and Venice-Lincoln High School, graduating with honors.

She received her bachelor of science degree in home economics from Illinois State University at Normal and is pursuing graduate studies at Michigan State University.

She is presently employed as an extension home economist by the Michigan State University Cooperative Extension Service.

Her responsibilities are to direct the family living education program of Saginaw County, with special focus on the urban program development.

She supervises all family living program assistants and participates in a specially-funded public affairs education project involving minority clientele.

Mrs. Peeples shares her skills with civic, fraternal, church and professional organizations and has been cited by many of

MRS. GERALDINE TAYLOR PEEPLES

them for commitment, service and inspiration.

An active member of her church, she has worked in vacation church school. A teacher training instructor, she is a Sunday school teacher and also has been active in the Young Matrons.

In the Saginaw public schools and other educational programs, she has been co-chairman of the Parents Advisory Council, vice president of the Morley School Parent-Teacher Association, in service and workshop con-

sultant for Delta College community education, guest lecturer, and chairman of the Saginaw Area Hunger Task Force, which successfully led a drive for passage of an elementary school lunch program in the Saginaw schools.

She has been active as a Brownie Girl Scout leader and in Frontier International, the Women's Auxiliary (charter member), Business and Professional Women's Club and Good Neighbors' Mission.

She is married to Sergeant George Peeples of the Saginaw County Black Police Officers' Association.

Coast Guard band at Arch

The United States Coast Guard band will treat music lovers, young and old, to an afternoon of entertainment on Saturday, May 6, under the Gateway Arch.

The concert starts at 2 p.m. with a "something for everyone" program. Selections under the direction of Coast Guard Lieutenant Lewis J. Buckley, will include standard favorites, from Bach to rock and Sousa to swing — plus original compositions and arrangements.

Established in 1925 as a ceremonial addition to the Coast Guard Academy, the band got off to the best of starts with assistance from "March King" John Philip Sousa.

In 1965, it was made the official band of the Coast Guard, representing both the service and its parent organization, the Department of Transportation.

Council concurs in denial of rezoning

The Granite City Council has denied a request from Ofilio Valencia Jr. for an R-4 (two-family) zoning classification at 2800 Idaho St., rather than the current R-2 (single family) classification to construct a duplex.

The council concurred in the Plan Commission's recommendation that a parcel at 2101 Lee Ave., be rezoned from R-4 to C-1 commercial zoning for a parking lot for VFW Post 1300.

A building on the lot will be razed and the new parking lot will be added to the current parking lot.

The council also gave its approval to plans for the Hecht Subdivision being constructed within one and one-half miles of the city limits, which had the Plan Commission's endorsement.

Five recommendations from the city's Zoning Board of Appeals received approval by the council and permits were

ARRESTED AT SCHOOL A 16-year-old girl was arrested at Granite City High School South Thursday afternoon and faces possible juvenile court action in connection with a package containing 12 marijuana cigarettes allegedly found in her possession. A school monitor received information indicating the girl may have been selling marijuana, which led to her being questioned and the marijuana found, authorities said.

CAR HIT'S TREE Dennis McIntosh, 25, East St. Louis, was injured when his auto struck a tree and he struck his face on his car's steering wheel last week. X-rays showed a fracture to a facial bone and he was admitted.

REBECCA HOWARD, 20, Edwardsville, was charged with driving too fast for conditions after her eastbound auto went out of control in the 1300 block of Pontoon Road and skidded into a utility pole and railroad warning sign, breaking the pole and damaging the sign. She told police another eastbound car passed her car and then cut her off, forcing her to apply the brakes and lose control.

She suffered visible injuries, but did not require hospital treatment, police said.

South May Festival Friday

The Granite City High School South May Festival scheduled Friday, May 5, at 8:15 p.m. in the school gym will honor the graduating senior girls.

Tickets are on sale at the school for \$1.50 for adults and \$1 for students if purchased in advance.

Tickets will be \$2 at the door. Miss Rebecca Sage will reign as May queen over the evening activities.

The 1978 May Queen's court consists of Diana DeGonia and Lisa Crippen, both first alternates and Paula Jones and Elizabeth Ripper, second alternates.

The girls are nominated by the senior class and chosen by the entire student body. The South Student Council is coordinating the event. Jeff Robinson, vice-president of the council, will serve as master-of-ceremonies.

South Concert Band to perform Thursday night

The Granite City High School South Concert Band, under the direction of Terry Waffer, will be performing in the South High School auditorium on Thursday, May 4, at 8 p.m.

The concert, which will feature music of periods, is being held in conjunction with South's Fine Art Festival.

The art exhibits will be shown, starting at 7 p.m. There is no admission charge for the art show.

The band concert will be highlighted by a salute to Glenn Choo, Pennsylvania 6-5000.

Students featured in the "Miller Reed Group" will be Beth Wilkins and Mike Bennett on alto saxophone; Craig Ryteraki and Louise Bicanic on tenor saxophone; and Connie French on clarinet.

Selections will include: Moonlight Serenade, Little Jug, At Last, Chattanooga Choo Choo, and Pennsylvania 6-5000.

Other musical selections will include: Sound Off March by Sousa; Zampa Overture by J. P. Herold; Incantation and Dance by John Barnes Chance; Leroy Anderson's Belle of the Ball; Karl King's Serenade; A Night in June and The Stars and Stripes Forever March by John

Philip Sousa, as well as other light works.

Admission for the concert is by season's pass or tickets at the door, costing 75 cents for adults and 35 cents for students.

Thursday's performance by the South Concert Band will mark the final appearance for 15 seniors.

Those students graduating in June are Connie French, Suzanne Bellovich, Susan Lewis, Charles Clark, Larry Pointer, Wayne Soehlin, Nancy Stephens, Joanne Puller, Paul Henry, Diana Boyce, Tom LeMaster, Phil Whitehead, Jeff Roth, James DuMont and Don Hayes.

The concluding performance on this school year's concert agenda will be presented by the South State Band at 8 p.m. Thursday, May 11, in the South Auditorium.

A wide variety of music will be performed, ranging from Dizieland to rock, Waffer said.

Environment, mathematics instruction

Registration is now open for a summer residential course for teachers, parents, school board members and teachers of teachers, according to Prof. Thomas C. O'Brien, director of the Teachers' Center Project at Southern Illinois University at Edwardsville.

The course will be offered on the campus of Maryville College Aug. 13-19. The topic is "Mathematics, Environment, and Intellectual Growth."

Faculty for the course include David S. Fielker, director of London's Abbey Woods Math Centre and editor of the British journal, "Mathematics Teaching"; James R. MacLean, curriculum director for the Province of Ontario and co-author with Edith E. Biggs of "Freedom to Learn"; and Prof. O'Brien, North Atlantic Treaty Organization senior research fellow in science and a professor in the School of Education at SIUE.

Information is available by writing to the Teachers' Center Project, Box 112, SIUE.

Extend SIUE nursing school to Carbondale

The SIUE School of Nursing plans to open an extension of its baccalaureate program on the Carbondale SIU campus beginning this fall. Patricia R. Forni, dean, said the program will be open initially to registered nurses only.

At that time, a coordinator will be employed to prepare for admission of the first group of 24 students for the 1979 fall term.

Extension of the nursing program to Carbondale was approved by the SIU Board of Trustees at its September 1976 meeting and a study of the educational needs of nurses in the Southern Illinois area was undertaken jointly by SIUE and SIUC in the 1976-77 fiscal year.

The proposal was based on recommendations of the Illinois Implementation Commission on Nursing and on the Illinois Board of Higher Education's master plan for post-secondary education in Illinois.

The cooperative arrangement was the result of a recommendation from the SIU System Council health education coordination task force.

Inquiries are being directed to the Office of the Dean, School of Nursing, Southern Illinois University at Edwardsville, Edwardsville, Ill. 62026.

MYSTERY OF CREATION TO BE SHOWN IN FILM

A series of physics films will be shown during May at SIUE as part of a film festival sponsored by the Physics Club. They will be shown on Fridays, with the first being presented May 5 at 2:30 p.m. All shows will be in Room 1106 of the Science and Technology Building and are open to the public.

"Mystery of Creation" will be the featured film, part five of a series entitled, "The Violent Universe." It deals with theories of the origin of the universe.

REINHARDT—Realtor Sells—BETTER LIVING!

DECORATING TECHNIQUES are discussed by Art Instructor Miss Ann Rich, left, with art student Becky Leeper who is completing work on a ceramic pot. Finished ceramic products will be displayed Thursday night at the Fine Art Festival at Granite City High School South.

ART SCHOLAR Cindy McDaniel is given advice by Mrs. Phyllis Weiss, her instructor, on the technique used by the famous painter Cezanne. Cindy, a senior, has been awarded a scholarship to Washington University in St. Louis. Mrs. Weiss said high grades, hard work and a great deal of talent enabled Cindy to receive the award. Cindy's work will be featured in Thursday evening's art show at Granite City High School South.

Skokie issue will be topic

The Philosophy Club, a student organization at SIUE, has scheduled a series of lectures during May.

William S. Hamrick, associate professor of philosophical studies, will discuss "The Jews in Skokie: Toleration on Trial," Thursday, May 4, at 2:30 p.m. in the Illinois Room of the University Center.

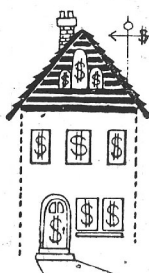

On Tuesday, May 9, Robert R. Blain, professor of sociology, will examine "Philosophy's Place in the Information Chain."

CONSUMER COURSES SET

The first in a weekly series of consumer counseling courses being offered by the Tri-City Trades and Labor Council will begin at 7 p.m. today in the YMCA.

Earl McDavid, secretary-treasurer of the Union Label and Services Trades for the AFL-CIO will speak tonight on the importance of the union label. Other sessions will be May 8, 14, 22 and 30.

REMBRANDT REPRODUCTION is given final touches by Lori Clement, a senior in advanced oil painting who chose the work of Rembrandt to meet a requirement for copying a master's work. Miss Clement's work will be among displays at the annual Fine Art Festival at Granite City High School South Thursday night, starting at 7.

South Fine Art Festival Thursday

Granite City High School South will present its annual "Fine Art Festival" at the school Thursday from 7 p.m. until 9:30 p.m.

The festival will consist of an art show presented by south's art department and a band concert by the music department. The art show will be open at 7 p.m. and the band concert, under the direction of Terry Wafar, will begin at 8 p.m.

The art show will be open throughout the evening and the public attending the concert may view the art show before and after the concert.

David Culp, Miss Ann Rich, William Smoltz and Mrs. Phyllis Weiss will be present to answer questions about the work displayed in the school corridors and art rooms.

Senior art students will each have their own display of work they have accomplished during their four years in art.

The entire show will include over 1,000 pieces of work done in this school year by the combined art classes of the school. Techniques included will be oil paintings, watercolors, pen and ink, charcoal, gouache, brayer, oil pastel, tempera, ceramic sculpture, pencil jewelry and mixed medias.

The purpose of this show is to give the individual student recognition for excellent achievement in art.

The public has been invited. Admission for the art show is free. A small admission charge will be made for the band concert.

Taylor named Venice highway commissioner

The Venice Town Board Thursday night appointed Ronald Taylor, 100 Hooker St., Eagle Park Acres, as township highway commissioner.

Taylor will fill the three-year unexpired term of Joe Willie Roberts who resigned April 11. Taylor has been acting highway commissioner since Roberts' resignation in April, awaiting a legal opinion on filling the unexpired term until 1981.

The trustees discussed continuing to furnish fire

protection to the Benjamin addition and Eagle Park Acres by the Venice fire department, with the Madison fire department serving as a backup.

Supervisor Christ Paschoff noted that the township will continue to furnish ambulance service for Venice township residents, using the Granite City Ambulance Service by a verbal agreement until the outcome of inquiries by Nameoki Township and the City of Venice into a countywide service are answered.

The trustees discussed expenditures of \$35,000 in Community Development funds for the possible paving of streets and purchase of land for a recreational park in the Benjamin addition.

It was noted that \$10,000 was paid Illinois Power Co. for the 42 street lights in the addition.

Paschoff said the trustees plan a meeting of residents in the Benjamin addition to discuss what the people would like done with monies available through community development programs.

The trustees approved payment of \$2,570 in snow removal bills and transferred \$2,000 to the road and bridge fund to pay current bills until tax monies are received.

Interested in budgeting your home utility payments?

See your May bill from Illinois Power

On your May bill we've calculated the amount your monthly payment would be if your residential account were on the Budget Billing basis, and you are eligible for the budget plan.

Under Budget Billing you pay the same amount each month for your natural gas or electricity. Instead of wide fluctuations due to weather, you know what your monthly payments will be.

The amount shown for your budget payments is based on past usage. Each May your bill will be adjusted to reflect your actual usage of energy for the year. Any difference will be refunded or billed to you.

Right now is the perfect time to start on Budget Billing and level out your utility payments all through the hot summer and cold winter months ahead. Simply mark the box on the top part of the bill and return with this month's payment in full.

To start Budget Billing in June, mark an "X" as shown on the top half of your bill and return with payment in full for the amount of your May bill. For additional information, ask your Customer Service Representative.

Olin will emphasize chemicals

John M. Henske, president of Olin Corporation, was designated chief executive officer by the board of directors last week and shareholders elected two new directors — Norman Haden, scientist and president of Rice University, and former Secretary of the Treasury William E. Simon.

The annual meeting of the East Coast-based firm was held at Godfrey in Madison County.

As chief executive, Henske succeeds James F. Towey, who will continue to serve Olin as chairman.

Towey announced last February that he had proposed the change, three years before his mandatory retirement at age 65, to assure orderly management succession and to put the company, with its increasing emphasis on chemicals, under the leadership of its most experienced chemicals executive.

Henske, president since 1973, previously headed Olin's Chemicals Group. He joined Olin in 1969 after 21 years with Dow Chemical, where he had been a corporate vice president and a director.

Henske told the annual shareholders meeting, held at Hatheway Hall on the campus of Lewis and Clark Community College, that "the fundamental concepts and policies that have been the basis for the company's strategies for the past six years" will continue under his leadership as chief executive.

In a tribute to the chairman, he pointed out that during the six years when Towey was chief executive officer (1972-77), Olin's net income increased 309 percent, capital expenditures climbed 290 percent, dividends rose 49 percent, and the company's safety record improved dramatically.

"Looking ahead at the balance of 1978, the next three quarters should be more comparable with last year. As previously reported, net earnings for that period dropped to 16 cents a share from 91 cents a year ago.

Young man locked in Upper Level

Granite City police were told at 3:10 a.m. Friday that someone had been seen inside the Upper Level Lounge and officers responded to find a 22-year-old St. Louis man inside the doorway.

The young man said he had fallen asleep inside the lounge and when he awoke, everyone had left and he had been locked inside.

Police checked the building and found no signs of forced entry, so the young man was released to his parents.

PROBATION ORDERED

Bob Hudson, 805 Kirkpatrick Holmes, has been sentenced to serve one year of probation and participate in a drug rehabilitation program after pleading guilty to unlawful delivery of a controlled substance. He was arrested in January on a warrant. Sentence was pronounced by Circuit Judge Harold R. Clark.

Liability verdict upheld

A Circuit Court ruling that a St. Louis insurance firm remain responsible for any liability judgments growing out of a May 1973 shooting incident involving Granite City police officers has been upheld by the Fifth District Appellate Court. City Council members were informed last week.

The appeal by the American Home Assurance Co. was argued before the appellate court in the city's behalf by Irvin Slate Jr., assistant city attorney who told the aldermen that the higher court sustained a July 1976 circuit court ruling that favored the city.

The effect of the ruling will be to force the insurance firm to defend a suit for \$100,000 damages which has been filed against Granite City as a result of the shooting on May 22, 1973, in which Michael Collins, 16, of Granite City, was killed by police.

The insurance company sought a declaratory judgment

from the court holding that Granite City failed to comply with terms of the insurance policy by failing to notify the company immediately that a suit had been filed against the city as a result of the shooting. The original suit seeking \$100,000 damages was filed against the city May 17, 1974, by Vonda L. Collins, mother and administratrix of the estate of Michael Collins. The suit was directed against the city and three policemen, Harry Mitchell, Edward Wiseman and David Rosenberg.

The insurance company then filed its suit against Granite City alleging that the city had not given the firm proper notice of the suit under terms of the policy.

In the Circuit Court ruling a jury that heard the case held that the city had given the insurance company notice of the damage claim "as soon as practicable."

Finds intruder in home

Police were called to the 2800 block of Warren Avenue at 11:30 p.m. Friday after being told a woman was screaming in a home. They arrived to find a partially-dressed woman and a crowd of people.

The woman said she was asleep and her cat woke her. She walked to the back to investigate what had upset the cat and saw a man with a white pillow case over his head which had been all so he could see out.

She said he reached at her with one hand as she grabbed for his other hand and he pulled something sharp, possibly a hack-saw blade. The sharp item was in his right hand, on which he was wearing a brown sock, police were told.

She related the man whispered he wanted to kill her husband and asked when he would be home. She struggled with him and he ordered her to remove her clothing. He said, "When she refused, he reached out and tore some of her clothing, she related. She then screamed, broke loose and ran out the front door. She turned to see him running out the back door. He came from the home. A neighbor ran in the direction she pointed, but did not see anyone, officers were informed.

Police found a small metal grate had been taken from the northside of her house and used to prop open a kitchen window. The screen to the window had been cut and a lawn chair had been placed under the window. The woman's telephone receiver had been torn from the cord. The pillow case on the man's head had been taken.

Vernon Medlin, 64, succumbs

Vernon Swan Medlin, 64, of Evansville, Ind., formerly of Granite City, died at 2 p.m. Sunday, April 30, at a hospital in Evansville.

He had been ill one year and was hospitalized several days. Born in Sebree, Ky., Mr. Medlin lived in this area 14 years prior to moving to Indiana in 1950.

Survivors include his wife, Mrs. Gladys Medlin; one daughter, Mrs. Joyce Lee Foster of Orlando, Fla.; two sisters, Mrs. Gleola Graves and Mrs. Charlie (Beulah) Massey, both of Granite City; five grandchildren and three nieces. Funeral services will be held at 10 a.m. Wednesday, May 3, at an Evansville funeral home.

Mrs. Knight dies at 85

Mrs. Mary Pearl Knight, 85, of Albuquerque, N.M., a former Granite City resident, died Friday morning at the St. Francis Garden Nursing Home in Albuquerque.

She was born in Rising Sun, Ind., and resided in the Quad-Cities many years before moving to New Mexico nine years ago.

Mrs. Knight was a member of the Methodist faith and also belonged to St. Clair Rebekah Lodge.

She was preceded in death by her husband, Terry Knight. Survivors include one daughter, Mrs. Bernice Hodshire, and one sister, Miss Gladys Ford, both of Albuquerque; four grandchildren; and four great-grandchildren.

Funeral arrangements are given in the obituary column.

Children's Home, Aid office here Thursdays

In an effort to provide more service to individuals in the Quad-City area, the Illinois Children's Home and Aid Society will utilize an office each Thursday, starting this week at Coordinated Youth Services, 1254 Niedringhaus Ave.

Judy A. Hall, regional director, said referring agencies may reach the ICHAS worker on Thursdays by calling the CYS office at 876-2383. A message also may be left with

the secretary at that number, she added.

On other weekdays, the society's staff may be reached at the Alton office, 1-462-2714. Clients may call collect, if necessary, Mrs. Hall said.

The Illinois Children's Home and Aid Society is a private United Fund agency, which provides services for unmarried pregnant women, foster care services and adoption services.

Fate of meters undecided

The question of whether parking meters should continue to operate in downtown Granite City may depend upon the attitude of merchants and businessmen of the area. City Council members decided last week.

Alderman Sam Whitmer, chairman of the council's traffic committee, noted that his committee "found a lot of money in the parking meter fund," but noted that the amount of money collected from parking meters fall well short of meeting obligations paid out of that account.

Whitmer noted, however, that

Workshop for dance students

Dance students at SIUE will participate in a week-long dance workshop under the instruction of Cathy Ward from today through Friday at the dance studio in the Communications Building.

The event is part of the distinguished artist series being presented by the Office of Academic Affairs and the School of Fine Arts and Communications.

Cathy Ward is a soloist and teacher with the Erick Hawkins Dance Company. She will conduct classes in modern dance techniques, rhythmic structure of movement and dance composition.

The performer has received critical acclaim for her performances with the Hawkins Company. She is presently preparing a concert of her own choreographic works to premiere in June.

three police officers are paid their salaries out of the parking meter fund, and that money also are used out of the account to pay for traffic signals, air signs and for other purposes.

He said that \$61,000 was transferred into the parking meter fund during the past year to help pay obligations of the account.

"Before making any recommendations as to whether the meters should be taken out, we (the committee members) believe the merchants should present their thoughts in the matter to the mayor or the committee," Whitmer said.

On a motion by Whitmer, the council authorized Mayor Paul Schuler to arrange a meeting with downtown merchants to discuss the matter and to learn what the merchants think should be done with parking meters.

Alderman said he believes if meters are removed, merchants and employees of downtown stores "will park in available parking areas all day long."

Humane Department pledges enforcement of leash law in city

Because of a mounting number of complaints concerning dogs running at large, the Granite City Humane Department has initiated a campaign to take stray animals off the streets and to enforce the city's leash law, Andy Chiappa, humane officer, announced today.

The humane department will pick up all stray dogs wherever they are seen, and such pickups can cost them as much as \$20 in each case to reclaim their pets, he said.

Any resident who has unwanted animals may take them to the animal shelter on Route 3 or may call for them to be picked up, so that the animals may be put up for adoption, Chiappa added.

In a statement concerning the humane department's program, Chiappa said:

"The humane department of Granite City will crack down on pet owners due to many complaints of dogs running at large without muzzles. Animals running at large without a muzzle will be apprehended by any means. Reclaiming of these animals will cost up to \$20.

"Pet owners should show responsibility for their pets. Children are blamed for letting the pets out, but the parents are responsible for their children's actions. Children cannot understand why their pets cannot go free.

"Parents should explain to their children that the leash law is to protect all the people from being bitten and to prevent destruction of neighbors' property.

In the early morning and late evening hours, pet owners let their animals out without watching them. Those pets disturb and in some cases frighten neighbors, ruining their gardens, sometimes biting them, and getting run over by cars. This must stop.

"Pet owners should keep their dogs on a leash when they need to go out and then clean up after them.

"Most of the bite cases are

caused by children trespassing and antagonizing the animals, and not being taught by their parents how to handle their own pets. Bite cases also are caused by strays who roam the streets and packs of dogs.

"Our bite cases increase 90 percent when children are out of school for the summer vacation.

The humane department is requesting that those people who have unwanted animals bring them to the shelter on Route 3 or call us to pick up the animals and place them for adoption. The animals are provided with shelter, food and water and they will have a better chance to have a home, than to run at large, possibly to be hit by a car, and trying to find food from garbage cans to survive.

"It is mandatory for pets to have an up-to-date rabies inoculation. When an animal bites and the owner cannot provide proof of inoculation, the animal must be impounded for ten days at the Madison County Rabies Control facility in Edwardsville. This costs the owner a substantial amount of money to get the pet back.

"If owners care enough for their pets, they would prevent these unnecessary problems. Upon obtaining the rabies inoculation, pet owners are reminded to purchase a city dog tax tag. Licenses for females are \$2, males \$1.

"Pet owners are reminded that tags and collars are required to be on the animals under City Ordinance 3109.

"Unnecessary barking by pets can be controlled by applying a barking muzzle."

Price backs flood control plan for creek

In a letter to the chairman of the House Appropriations Subcommittee on Public Works, Representative Melvin Price (D-Ill.) has voiced his support for the Richland Creek flood control project for residents of Swansea and Belleville.

Congressman Price is requesting a \$50,000 appropriation for the U.S. Army Corps of Engineers October 1978-September 1979 budget to initiate the Richland Creek flood control study.

Richland Creek, in the vicinity of Belleville, is one of 11 severe urban flood problem areas identified by the Illinois Division of Water Resources.

The Corps of Engineers in 1966 and 1973 proposed to start the multi-million-dollar flood control recreation plan for Richland Creek but failed to do so, due to the unavailability of local funds.

The new study would decrease the scope of the project, cutting the overall cost.

In addition, the state has committed itself to help Belleville and Swansea fund part of the local share required. Price said, "I feel that — now that our federal, state and local governments are working together — any remaining obstacles can be overcome and the Richland Creek flood control project can be established."

PROBATION FOR ROBBERY
Greg Dailey, 19, Florissant, Mo., has been sentenced by Circuit Judge Joseph J. Barr in Edwardsville to serve two years of probation after pleading guilty of robbery. Dailey was charged with being involved in a robbery at Tri-City Grocery in Belleville Village Shopping Center Jan. 9, in which a man wearing a ski-mask took an undetermined amount of money from a cashier.

You know, we're people in a hurry, needing to be somewhere to do something that needs doing right then. And in our rush, small details often are overlooked.

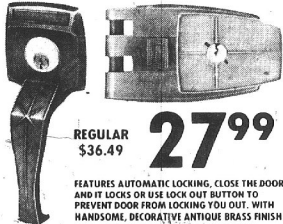

For example, it's surprising how many people fail to sign their checks. Most companies will return them, of course, asking for your signature, but a little attention to check writing would save that small embarrassment.

Learn to write a check properly — and with care. Fill in the date, the payee, the figure for the amount. Then write out the amount in words, beginning at the far left of the line so no one can add "One hundred" or "One thousand" to the amount. This line is known as the "filling," and if there is a disparity between the figures and the amount written, we will pay the amount shown on the filling.

Then, sign the check. And don't forget to enter the amount of the check in your records, subtract it from your balance and put down when and to whom the check was written.

It only takes a moment, and handling your checkbook properly will be a great help in keeping your check balance correct. You can bank on it.

Chouteau plans improvements to community center building

Improvements to the new Chouteau town building and uses for the community center was the main topic of discussion at two meetings of the Chouteau Town Board of Trustees last week.

At the first meeting, the board discussed plans for creation of a senior citizens' organization which would use the community center. Attempts to organize such a group are under way.

Supervisor Walter "Dick" Sparks told the board. Sparks also reviewed the progress of plans for constructing sanitary sewers in Chouteau, Nemo and Venice townships during that meeting. The board met in a second

session with the township's citizens' advisory committee to discuss possible improvements to the community center and to the cartons containing kitchen cabinets the board had purchased. The citizens requested Sparks to get someone to install the cabinets.

They also decided to seek prices for a light dimmer, dishes, pots and pans, lights to accent community center's columns and a used piano.

The senior citizens' organization was discussed and the board decided to apply for a 20-hour senior citizen worker under a federally-funded program to coordinate township programs for seniors.

Tole painters will convene

The metropolitan area this week will be filled with about 2,000 tole painters, arriving to attend the sixth annual convention of the National Society for Tole and Decorative Painters.

The area chapter, Gateway to Tole, is hosting the convention Tuesday through Saturday at Stouffer's Riverfront Inn and has selected the 1984 World's Fair as the theme for the convention.

The convention area of Stouffer's will be transformed into a mini-fairground, festooned with decorations of that period. The trade show will be open to the public Thursday and Friday from 9 a.m. to 6 p.m. and Saturday from 9 a.m. to 4 p.m.

Advance ticket sales are being handled by most area craft shops or at \$38-49.95.

The National Society of Tole and Decorative Painters was founded on Oct. 22, 1972, in Tulsa, Okla., under the leadership of Priscilla Hauser, a nationally recognized painting teacher. The organization has grown and today has over 8,000 members in the 50 states and several foreign countries.

Tole and decorative painting is a traditional art, having its origins in the folk art of various European countries. It was brought to the United States by immigrants.

One of the best known American forms is the "hearts and flowers" of Pennsylvania Dutch design. Today, tole and decorative painting encompasses many styles of painting, incorporating varied art techniques. It is defined as the method painting of designs on any object to decorate or make a picture.

The Holt family, Dr. Lee, his wife, Frances, and their five children, are members of the Nameoki United Methodist Church as well as participating in many community activities.

\$2,100 to multiple sclerosis drive by local contributors

Quad-City residents contributed more than \$2,100 to the Multiple Sclerosis Hope Chest campaign of the St. Louis Area Chapter, National Multiple Sclerosis Society. Results were announced Thursday by David Fox, MS Hope Chest campaign chairman and vice president. "First Granite City National Bank," he said, "to the many volunteers in our community who braved the elements calling on their neighbors to make this a successful campaign. In spite of the worst weather conditions in the history of the local chapter, the overall results of the campaign are running ahead of last year's outstanding campaign."

Fox directed special thanks to the Police and Fire Departments of Granite City, Madison and Venice. "Their cooperation every year in serving as convenient collection stations to receive volunteer solicitation kits has contributed greatly to the success of our local MS drive," he said. "Through such cooperative efforts and our dedicated volunteers, our chapter has been enabled to expand services to needy patients and to support MS research bringing the day closer when the MS problem will be solved."

'Showando' to be held

Scout leaders of the Cahokia Mound Council will sharpen their skills in leadership and scouting techniques Friday and Saturday, May 5 and 6, at the "Showando" to be held at Camp Sunnen near Potosi, Mo.

Charles Shanks, Granite City, is the general chairman of the event and will be assisted by members of the Leadership Development Committee. Senior patrol leaders of area Boy Scout troops also have been invited to attend, according to Shanks.

Emphasis will be placed on the "patrol method" of operation. This is one of the best experiences that a troop leader can have," Shanks said.

Reservations for the event are due at the Boy Scout Service Center, 2016 Delmar Ave. by 8 p.m. today.

Camp Sunnen to open 25th season June 18

Summer camping for several hundred area Boy Scouts will soon be a reality as Camp Sunnen, near Potosi, Mo., begins its 25th summer camping season on Sunday, June 18.

The silver anniversary camp staff will be: Art Brock, director; Dan Tolliver, program director; Nick Tsigalaroff, camp services director; Retha Banks, health officer; Steve Yench, commissary director; Terrance Haynes, commissary aide.

Brook Gore, outpost camping aide; Tom Buch and Jeff Yates, scoutcraft aides; Grant Thornburg, scoutcraft aide; Bob Monk, archery instructor; Lyle Tempel, canoe trip coordinator; Tuffy Guffy, assistant aquatics director; Carl Kerkemeyer and Bill Winter, aquatics aides, and Mark Brayer, director.

Thirty-three Scout troops already have registered to spend a week at Camp Sunnen. Scoutmasters are being asked by camping officials to turn in their unit rosters listing the names and numbers of scouts planning to attend from each troop.

Reservations for camp still are being accepted at the Boy Scout Service Center, 2016 Delmar Ave.

MR. AND MRS. HAROLD LYNN, 2103 Monroe Ave., who celebrated their golden wedding anniversary at a reception given at Niedringhaus United Methodist Church, Sunday afternoon.

Mr., Mrs. Harold Lynn mark 50th anniversary

Mr. and Mrs. Harold C. Lynn, 2103 Monroe Ave., observed their 50th wedding anniversary at a reception, Sunday afternoon, given in Wesley Hall at Niedringhaus United Methodist Church.

Mr. Lynn and his wife, the former Woodie Lowry, were married on April 28, 1928, by the Rev. C. C. Cullison at St. Timothy United Methodist Church in Litchfield, Ill.

Attending the couple were Mr. and Mrs. David Jolley of Litchfield, Ill., brothers and sisters-in-law of Mrs. Lynn.

The honorees have four daughters; Mrs. Philip (Shirley) McGovern, Mrs. William (Phyllis) Soka, Mrs. Jacquelyn Watkins, all of Granite City, and Mrs. Tom (Lynda) Gillen of Honolulu, Hawaii.

They also have 15 grandchildren and eight great-grandchildren. Mr. Lynn was employed for 31 years in local steel mills, at Granite City Steel and General Steel Industries, and 11 years at Schulte and Burch Biscuit Co., Granite City, where he retired in 1968.

All members of the immediate families attended the event with the exception of one grandson, Daniel Watkins who is serving in the U.S. Army in Germany.

Among the out of town guests were Mr. and Mrs. Mac Lowry and daughters, Julie and Kelly of Seattle, Wash., Mr. and Mrs. Walton Lowry of Pittsfield, Ill., Mr. and Mrs. Blake Lowry of Litchfield, Ill., brothers and sisters-in-law of Mrs. Lynn.

Also Mr. and Mrs. David Jolley of Litchfield, and Mr. and Mrs. Tom Gillen of Honolulu, Hawaii.

POLICE DANCE FRIDAY

The annual Madison Police dance will be Friday, May 5, beginning at 9 p.m. in the Croatian Home, 1000 Madison Ave., Madison. Admission is \$5. Music will be by the Bob Kuban Brass.

MARRIED. Mrs. David W. Zimmer, the former Miss Susan M. Howard, whose wedding was solemnized at Hope Lutheran Church. The bride is a daughter of Mrs. Ann Howard of Granite City, and the late Merl Howard.

Susan M. Howard and David Zimmer are wed

Miss Susan M. Howard, a daughter of Mrs. Ann Howard of Granite City, and the late Merl Howard, and David W. Zimmer, a son of Mr. and Mrs. William Zimmer Jr., Granite City, exchanged wedding vows, March 31, in an evening ceremony at Hope Lutheran Church.

Burning tapers in aisle standards, accented with sprigs of greenery and satin bows, and tall altar urns holding arrangements of apricot, yellow and white blossoms, provided the setting for the 7:30 double ring ceremony performed by Pastor David Fielding.

Soloist Mrs. Patricia Howard, a sister-in-law of the bride, sang "Wedding Prayer" and "One Hand, One Heart" accompanied by Sarah Repp at the organ.

Other selections played by the organist included "Bach Partita," "A Time For Us," "We've Only Just Begun," "Jesu, Joy of Man's Desiring," "O Perfect Love," "Wedding March" and "Bridal Chorus."

Escorted down the white carpeted aisle and given in marriage by her brother, Ronald Howard, the bride wore a full length ivory organza gown, complemented with a

miniature apricot roses. Alex Hackworth, a cousin of the groom, served as the ringbearer.

The groom chose his brother, Gary Zimmer, as best man. Groomsmen were William Kovach, Randall Byrd and Paul Zimmer, another brother of the groom.

Larry Hoelter and Richard Hoelter, the bride's uncle and cousin, respectively escorted the guests to their seats.

Lori Crockarell, a cousin of the bride, presided over the guest book at the church and reception held in the church parish hall, immediately following the service.

For her daughter's wedding, Mrs. Howard chose a pastel blue chiffon Empire gown featuring long bishop sleeves and a full A-line skirt.

The groom's mother, Mrs. Zimmer, was attired in a floor length aqua polyester dress designed with a cape style sleeve which draped to the back of her gown. A crystal brooch accented the Empire waistline.

Both mothers wore wristlets of apricot roses and baby's breath, festooned with off white trim.

Both young people attended Granite City High School South. The groom is presently employed as a patternmaker at Arnette Patterns.

They are residing in Granite City, following a wedding trip to New Salem, Ill.

A dinner was hosted at the Round Table Restaurant in Collinsville, by the groom's parents, Mr. and Mrs. Zimmer, following the church rehearsal.

Loretto Chapel is circle topic

The Every Member Busy Circle of Nameoki United Methodist Church held its April meeting in the home of Corinne Dawson.

Mrs. Jean Martin opened the session with prayer. Penny Kessler gave the lesson on witnessing your faith and told the group of the Loretto Chapel in Santa Fe, N.M.

Tentative plans for the fall festival were discussed during the business meeting conducted by Mrs. Laun Briner.

Reports were given by Mrs. Norma Redlin, secretary and Mrs. Alta Stewart, treasurer. Tickets for the Church Women United May Fellowship dinner were available during the session.

Mrs. Norma Rains closed with prayer and Mrs. Dawson served refreshments to those named and to Betty Weston, Ruth Hancock and Helene Bischoff.

Tops Club hosts honors meeting

The 12th coronation of Illinois 467 Chapter of Take Off Pounds Sensibly (TOPS) Club was held at the Polish Hall with Yvonne Passig president.

Paula Vaughn was crowned KOPS (Keep Off Pounds Sensibly) queen with a loss of 46½ pounds, by the retiring queen Geneva Hill. The honoree received a trophy and two dozen roses.

Ann Kunich received a bouquet of spring flowers and a trophy as runner up with a loss of 37½ pounds.

Named best loser in TOPS was Pauline Patton. Others honored for their achievement were KOPS Pat Tipton, Geneva Hill, Debbie Passig, Robin Gremaud, Ann Kunich, Paula Vaughn, Lorraine Gremaud, Kathy Oden, Betty Allen.

After the meeting, low calorie punch and coffee were served and games were played.

Mrs. Nell Talley entertains club

Mrs. Nell Talley, 3243 Edgewood Ave., entertained the Butterfly Club, Thursday evening, at a dinner and social event.

The group honored the hostess on her birthday with gifts as she served a decorated cake.

Pinch games were played and prizes won by Mesdames Ilene Willis, Thelma Schmidt, Edith Ryan and Katie Hommert.

Others present were Mesdames Hazel Rollins, Mary Lou Claussen, Harriet Hoff, Juanita Rosenberg, and Lorraine McIlvry. Mrs. Hommert invited the members to meet in her home for the next gathering.

Maybe you don't make a \$3,000 loan every day, but we do.

Actually, that's just a middle-size loan for us these days. We make some for less. And a lot for a lot more.

So we're not a "small-loan" company, but a large loan center. And a good one.

Homeowner loans, too.

When you're after really large amounts, the equity in your home is a valuable asset. You can use that equity to back very sizable loans from us. And that's nice to know.

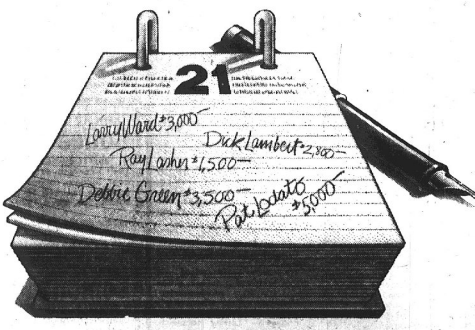

Next time you want money, whatever the reason, think of us. If you're more com-

fortable feeling you can depend on us for small loans, we really don't mind. Because you can.

But remember, we mostly think big.

MR. and MRS. WILLIAM GWINN. They were united in marriage at Hope Lutheran Church. Formerly Miss Florence F. Holten, the bride is a daughter of Mr. and Mrs. E. H. Holten, 29 Nassau Ave.

Gwinn-Holten nuptials at Hope Lutheran Church

Hope Lutheran Church was the scene of the wedding on March 18 of Miss Florence F. Holten, a daughter of Mr. and Mrs. E. H. Holten, 29 Nassau Ave., and William O. Gwinn, a son of Mr. and Mrs. Ralph Hollenberg, 825 Union, Belleville.

Pastor David Fielding officiated at the 5:30 p.m. double ring ceremony, before an altar decorated with bouquets of early spring flowers.

Organist and soloist Bob Tyler and Karen Dannenberg, vocalist, provided the program of nuptial music. Selections included "Colour My World," "Wedding Song," "My Sweet Lady," "Time In A Bottle," "You Light Up My Life" and "Hawaiian Wedding Song."

Given in marriage by her father, the bride chose a long white chignon gown designed with a Queen Anne neckline and fitted bodice lavishly accented with Venise lace. The fitted lace sleeves were covered with chiffon to create a bishop style with lace cuffs.

Her full skirt fell shyly from the Empire waistline and extended into a chapel train. She wore a lace Juliet cap to secure her veil of bridal illusion, enhanced with lace motifs and she carried a bouquet of daisies, carnations and baby's breath.

Miss Debbie Zedek served as maid of honor with bridesmaids Mrs. Mary

Moore, a cousin of the groom, Dennis Koesterer, Mike Hall, Michael Holten, the bride's brother, and Bob Lansdale, completed the corps of groomsmen and ushers.

A reception was held at the Creation Hall in Madison, after the service and the rehearsal dinner was hosted at Roustio's Restaurant, Collinsville.

The bride graduated in 1975 from Granite City High School South and her husband was graduated in 1972 from Belleville West High School. They both work at Holten Meat Co.

HANDPAINTED PORCELAIN EXHIBIT AT THE ARCH

An exhibit of porcelain handpainted by a St. Louis organization, The Forget Me Not Porcelain Artists, will be open to the public in the special exhibit gallery of the Museum of Westward Expansion at the Gateway Arch May 3 through May 22, Monday through Thursday from 9 a.m. to 4:30 p.m. and Friday, Saturday and Sunday from 10 a.m. to 7:30 p.m.

Members of the group will be in the gallery each Saturday and Sunday from 2 to 4 p.m. demonstrating the skills involved in china painting. As known today, it utilizes fluxed mineral colors under and over glaze. Designs on china in mineral overglaze began to take their place in ceramic decoration in the Ming Dynasty (1368 to 1644).

TEACHERS WILL HEAR TORONTO EDUCATOR

John H. Bates, director of the Inner-City Project of the Metro-Toronto public schools, will conduct informal meetings with local educators May 9 and 10 at SIUE.

The sessions are entitled "Ideas and Activities That Work in the Classroom." Area educators are being urged to attend one or both sessions, and no fees are involved. Bates is in charge of a system-wide revision of elementary school education in Toronto.

REGULAR DIVIDEND

Mrs. Beeler heads Ladies Coterie

The annual meeting and election of officers of the Ladies Coterie Club was held Thursday afternoon in the home of Mrs. Dawson Wade, 3314 Wabash Ave.

Named to serve for the ensuing year were Mrs. Emmett Beeler, president; Mrs. Ruby Foster, vice-president; Mrs. Lyndell Hagaman, secretary; Mrs. Bonard Maple, assistant secretary, and Mrs. Harriet Horley, treasurer.

A pot luck luncheon was served prior to the meeting. Mrs. A. C. Stoeber led the club

collect and the pledge to the flag was given by Mrs. Fred Werner.

The date of the annual guest day observance of the club was changed from May 18 to Thursday, May 4, and will be held at the Three Mile House in Edwardsville, according to Mrs. John Kenner.

Reports were given by the retiring officers and Mrs. Horn, chairman of the condoleance committee.

Closing prayer was by Mrs. Clarence Hoettiger. Others present were Mesdames T. C. Auderheide, G. E. Filciff, David Friedman, E. J. Griffith, G. E. Halyama, Floyd Henley, Marlin Hiscott, David John, Walter Johnson, Louis Meek and E. F. Reiske.

Preceptor social night

The Preceptor Delta Gamma Chapter of Beta Sigma Phi held a social evening with dinner at Vincent's in the Mineral Springs Hotel, Altam.

Members met at No. 3 Patricia Lane, Granite City, for cocktails at 6 o'clock. Mrs. Laub displayed blue ribbons for first place won by her female Cairn terrier, Bl, offspring of Laub's Little Bit. The first place was won at Crab Orchard, at an American Kennel Club show, during the past week end.

Those attending were, Dolores Byrnes, Dolores Dorch, Betty Ebling, May Ebling, Arlene Haldemon, Imogene Forrest, Martha Jean Dyer, Norma Rains, Pat Tsigalaroff, Ruth Stoyanoff and Evelyn Tolliver.

Honored at wedding shower

Miss Tamara Duft, 3104 Willow Ave., was given a wedding shower by three of her bridesmaids, Miss Ginger Munoz and Jorja Arme of Granite City and Miss Cindy Shultz of St. Louis, at St. Elizabeth Church last week.

The event included a full luncheon and was attended by 70 guests. Tables for the luncheon were decorated by green garlands scalloped with bunches of hand-made silk roses and a large candle which was in the center of the arrangements.

Guests had placecards and nut cups in rainbow colors and rainbow-tinted fresh carnations in white vases decorated each table.

A total of 54 prizes was awarded to the guests during the event.

Miss Duft is to become the bride of Stanley Swicki of Joseph City May 13 at St. Joseph's Catholic Church.

Judge elected grand master of DeMolay

Thomas C. Raum Jr., Wichita, Kan., presiding judge of the Civil Department of Kansas' 18th Judicial District, was elected grand master of the Order of DeMolay at the conclusion of the 80th Annual Session of the International Supreme Council meeting in Milwaukee, Wis. He succeeds William J. McCulley of Lancaster, Pa.

Raum, who holds a BS degree from Wichita State University and JD degree from Washburn University, Topeka, was appointed a state district court judge for Kansas' 18th Judicial District in 1961, and presently serves as the presiding judge for the Civil Department.

He is a member of the Wichita and Kansas Bar Associations, the Kansas District Judges association, and serves as a member of the Governor's Committee on Criminal Administration.

He is a past grand master of the Grand Lodge of Kansas, and served as chairman of the Conference of Grand Masters of North America in 1969.

Raum is a member of the York Rite Bodies of Wichita, a 33rd degree Scottish Rite Mason, a past potentate of Midian Shrine Temple, a past president of the Wichita High Twelve Club, an officer of the Wichita Court, Royal Order of the Wichita Court, and a trustee of the Kansas Masonic Foundation, Incorporated, and is secretary-treasurer of the Kansas Masonic Home Board.

Raum became a deputy of the International Supreme Council and executive officer in Kansas in 1967, and was elected an active member in 1968.

He has served as an appointive officer, as a member of several committees, as chairman of the Jurisprudence and Legislation Committee, and was elected grand master prior to his election as grand master.

The Order of DeMolay is a character-building organization for young men ages 13-21, with nearly 3,000,000 active and senior members in 2,200 chapters in the United States and eight other countries.

Mental Health Week activities at hospital

At any one time there are more people in hospitals for mental illness than people in hospitals suffering from heart disease, cancer or alcoholism. One person in ten has enough mild to severe emotional or mental anguish to require treatment. All people have symptoms and problems reflecting the human condition: that no one's life is easy or perfect, authorities say.

Attitudes toward the psychiatric patient will preclude discussion at organized events during Mental Health Week, being recognized May 1 through 7 at St. Elizabeth Hospital.

An in-service program for the hospital staff management team will review the role of the social worker, occupational therapist, recreational therapist and nurse in relation to the success of a psychiatric patient's program.

An in-service session for associates' employees of various departments that have direct contact with psychiatric patients will examine misconceptions about mental health.

Additional in-service meetings for hospital staff personnel and an open house for patients' families will exemplify how the patient's activities are geared to his or her therapeutic needs.

Fear of dealing with the psychiatric patient is commonly experienced by the person whose training is not from a psychiatric field.

"A transport aide, for example, may believe the myth that mental patients are all prone to act violently," a St. Elizabeth spokesman said.

"While a small percentage of patients have made harmful moves toward themselves or others, the majority are basically shy and self-effacing and act violently only after provocation, it is contended.

"Furthermore, mentally ill patients can be responsible and can be rehabilitated. Unless they are hopelessly withdrawn

as a result of chronic hospitalization or inhuman custodial incarceration, the condition of mentally ill patients can be improved.

"They have a sense of awareness, have rational tastes, wants and wishes and show sensitivity at all levels.

"Most mentally ill patients are in touch with reality and are interested in everyday activities and events."

Among other activities for Mental Health Week is the exhibition of the floor plans and watercolor architect's sketch of the psychiatric building under construction here.

The two-story structure, which is part of the current \$18 million renovation and expansion program, will be a 300-bed unit.

A luncheon on Friday — with patients and staff of the comprehensive unit and the Social Service Department, Occupational Therapy, Recreational Therapy, Psychiatrists and hospital administrative team — will close the week's events.

County hearing on state's handicapped education plan

Harold E. Briggs, regional superintendent of schools, has announced that the Illinois annual program plan for funds under the Education for All Handicapped Children Act (Public Law 94-142), as submitted by the Illinois Office of Education, will be available for public review until May 23.

A copy of the proposed state plan will be on display during regular working hours, 8:30 a.m.-4:30 p.m., in the office of the regional superintendent of schools located at 201 Hillsboro Ave., Edwardsville.

A copy will also be available for loan.

Anyone desiring to review the plan is to contact the office of Supt. Briggs in Edwardsville or telephone 692-4530.

During May, the Illinois Office of Education will conduct public hearings to obtain written and oral testimony to be considered for possible inclusion in the final state plan.

The hearing date and location for the office is:

Monday, May 15, 9 a.m. to noon and 1 p.m. to 4 p.m., office of Superintendent Harold E. Briggs, 201 Hillsboro, Edwardsville.

Persons intending to offer testimony are being asked to contact Briggs to schedule their presentation.

Oral testimony should not exceed 10 minutes and must be submitted in writing to him at Edwardsville.

The format for written testimony is:

1. "Area of concern — Cite the annual program plan section, subsection(s) and page number."

2. "Problem — State concisely the problem or area of concern."

3. "Recommendation — Present recommendation for item number 1 above."

All written testimony received on or before May 26 will be considered.

Clean-bus drive

Things are going to get rough for candy wrappers, old newspapers, soda cans, and other discarded debris which have proven to be a nuisance aboard Bi-State buses. Today, the agency began a system-wide clean-bus campaign to "stash the trash."

It will include the provision of colorful receptacles, plainly marked for use in depositing trash.

The program is being initiated in conjunction with purchase of new vacuum cleaning systems and exterior bus-washing equipment.

Bi-State Development Agency Executive Director Barry M. Locke, in announcing the new effort, said the "stash the trash" theme will be emphasized through interior advertising cards and a special issue of the monthly rider publication, "Going Your Way."

Readers of the free "Take One," distributed on all Bi-State buses, will be asked to complete a postage-paid return card if they wish to comment on any cleanliness deficiencies in the particular vehicle they are riding.

"Bus cleanliness has been a growing concern at Bi-State as our fleet has expanded and as ridership continues to increase," Locke said.

"In the same way that we are making an appeal to riders not

to smoke on the bus, we are now asking that they also take part of the responsibility for keeping the seats and floors clean to the benefit of everyone using our system.

"Our clean-up crews are being given the most modern bus washing and vacuuming equipment available to thoroughly clean the buses inside and out on a daily basis."

"Bi-State will provide on each bus a container where trash may be properly discarded. We are asking each of our more than 250,000 daily riders to give us a hand."

"Stash the trash" receptacles are expected to be in place at the front of all buses by early May.

Installation of eight drive-through bus washers and nine interior vacuum cleaning systems is now in progress at the agency's five garages in Missouri and Illinois.

"The success of the clean-bus campaign will depend very much on rider cooperation," Locke emphasized.

"Every passenger must remember that he or she has a financial interest in our transit operation. It takes tax dollars to buy new buses and tax dollars to clean them."

"I believe our riders will see some major improvements in bus cleanliness in the coming months if everyone agrees to 'stash the trash.'"

Auto overturns

Gary Kinnerly, 22, of 2598 Shrigdan Ave., was injured when his northbound auto went out of control at the curve in the 2300 block of Fehling Road, went over a curb, then crossed the street and struck a tree at 3:15 a.m. Saturday.

The car then overturned in the yard of John Schmidek, 3217 Fehling Road.

Kinnerly went to St. Elizabeth Hospital where he was admitted for observation with injuries to his head, right hand and right hip.

'Charlotte's Web' given by Nameoki 3rd graders

Third-grade students at Nameoki School gave costumed performances of E. B. White's book "Charlotte's Web" for the IMA earlier this month and for the students at the school last week.

Mrs. Linda Givens, a teacher, adapted the book into a stageplay and served as stage manager and scenery director. Mrs. Diane Evans directed the play and Mrs. Regenia Conway was music director. Chicken headresses were designed by Richard Barnett and Mrs. Joyce Tracy served as hostess, dressed as the "chief chicken."

Songs sung during the presentations included "There Must Be Something More," "He Can Talk," "We've Got Lots in Common," "Charlotte's Web," "Chin Up," "Deep in the Dark," "A Veritable Smorgasbord," "Zuckerman's Famous Pig," and "Mother Nature and Father Time."

Solo parts were sung by Dawn Jesse, David Painter, Diana Takmajian, Steve Brandes, Christy Dawson (a second-grade guest soloist) and Kelli Brandes.

Others who appeared in the show were Greg Bailey, Chris Barker, Joe Basarich, Steve Becker, Kenny Beljanski, Cindy Boatman, Harry Briggs, Andrea Brooks, Bobby Brummund, Yanka Brylak, Ricky Byrd and Kim Corey.

Also, James Cavar, Larry Davis, Tim Davis, Melissa Dickerson, Shirley Dupont, Jerry Eaker, Rusty Ehrig, Brian Forbes, Billy Gaumer and Mark Goodrich.

Karl Goss, Sheila Hand, Jane Harper, Brian Harris, Paul Harrison, Laura Hileman, Todd Hintner, Jeff Isenburg, Carmen Joyce and David Kaltmayer.

Tom Ketter, David Lane, Jill Machino, Mike Maier, Susie McCoy, Dean Mendenhall, Mindy Mills, Colleen Monaghan, Kellie Moore, Richard Nelson and Mark Penny.

Colleen Pickard, Ginger Powell, Jennifer Pritchett, Kelley Rogers, Tina Steelman, Brian Stephens, Jennifer Summers, Lisa Svoboda, Brian Taylor, Jennifer Thomas, Marc Varady, Sheri Wiedower and Terry Wilson.

THE CAST of Charlotte's Web at Nameoki School included, front row from left, Jill Machino, Colleen Monaghan, Melissa Dickerson, Kenny Beljanski, Joe Basarich, Lisa Svoboda and Cindy Boatman. Center row are Kelly Basden, Dawn Jesse, Christie Dawson, Steven

Tax, liability, compensation and utilities discussed by industries

Legislation and other efforts to improve the Illinois business climate and make it more competitive were the themes of Illinois Industry Day in Springfield last week.

Sponsored by the Illinois Manufacturers' Association and the affiliated Illinois Industrial Council, the annual event was held in Springfield.

Attended by 500 representatives of IMA member firms, Industry Day participants heard presentations by Governor James Thompson, legislative leaders and IMA staff experts on legislative matters affecting Illinois industry.

Legislative items discussed in the IMA conference included:

- Sales Tax Exemption for Industrial Machinery, Equipment and Supplies. Illinois is one of only a few states in which manufacturers pay the state sales tax on replacement machinery, new equipment and supplies.
- Cost of Service. Utility Rates. The Illinois Commerce Commission has increasingly granted rate requests of utilities affecting industrial customers while blocking or reducing them for residential customers.
- Consumer, environmentalist and welfare groups, in their effort to hold down utility service rates for individual consumers, are pressuring state utility commissions to impose artificial rates, such as lifetime, which in effect force industry to increasingly subsidize small users," an IMA spokesman commented. The group is backing legislation to require future utility rate increases to be based on the cost of serving each individual class of consumer.
- Six-Day Workweek Law. This law requires a permit if

employers need to have employees work more than six days in a week.

"The law, in effect, deprives many workers of the opportunity of earning overtime pay unless the state government grants their employer an emergency permit. Some industries are seasonal, requiring continuous utilization of facilities."

- Workmen's Compensation. The average cost increase for Illinois manufacturers, as a result of 1975 changes in the Illinois workers' compensation law, has been close to 400 percent, according to a survey by John Parrish, professor of economics, University of Illinois.
- Employer-backed bills include a number of provisions that would modify some impending additional cost increases for Illinois employers, establish medical standards, and tighten administration," the IMA says.
- Unemployment Compensation. Since 1975, the average cost of Illinois employers' unemployment compensation insurance has increased 353 percent.

"An additional factor increasing unemployment compensation costs is the large number of people drawing unemployment benefits who should not, because of eligibility provisions of the law."

"Proposed legislation provides tightening up of eligibility standards, including disqualification if voluntarily leaving work or leaving to marry or for other domestic reasons. It increases the disqualification for those who refuse suitable work or who are discharged for misconduct. Sympathy non-workers would also be denied benefit."

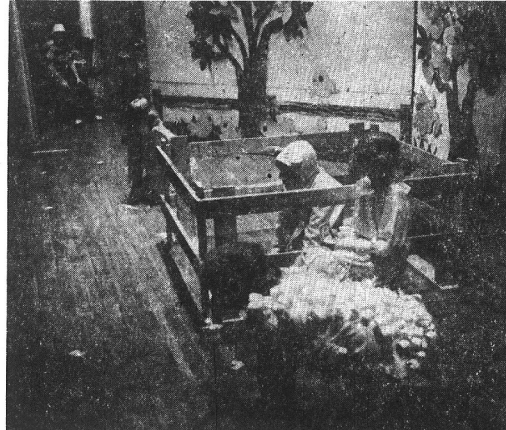

- Product — Liability. "The soaring cost of product liability insurance and — or claims is a grim fact of life for manufacturers and elsewhere. Eleven states have already enacted comprehensive product liability reform bills, including Indiana, Tennessee, Minnesota, Kentucky and Georgia. Illinois business supports legislation barring suits on old products and providing other needed reforms."

FARM SCENE during one of the two performances of Charlotte's Web at Nameoki School included Kelly Rogers as the sheep in the foreground, Carmen Joyce as "Fern," seated, Bryan Harris as "Wilbur" the pig in the pen, and Jane Harper as the goose, kneeling.

THE CHIEF CHICKEN presiding over performances of Charlotte's Web was Mrs. Joyce Tracy, left, who constructed her own costume and made smaller chicken heads for most of the cast members. Receiving her program from the Chief Chicken is Mrs. Linda Givens, stage manager and scenery director. Other teachers who aided in preparing the play were Mrs. Diane Evans, Mrs. Regenia Conway and Richard Barnett.

Reservations still open for MHS prom

Reservations for the Madison High School junior and senior prom will be accepted until 1 p.m. Thursday.

The event is scheduled Friday, May 5, from 8 p.m. until midnight at the Sheraton St. Louis Hotel, Convention Plaza.

Cost to students is \$4 and reservations may be made with William J. Chatman, social studies teacher, or Mrs. Loretta Cook, special education

teacher, who are the MHS junior class sponsors.

Part of the buffet dinner which precedes the dance is being paid for by the junior class sponsors of the event.

"Headmaster," a band from Champaign, Ill., will furnish the music for dancing.

Board members and the central office staff and their spouses will be guests at the prom.

Announcing a remarkable new air conditioner that runs on up to 25% less electricity than previous models:

The Bryant Quietline Deluxe

It's the most efficient air conditioner Bryant has ever built. And the quietest and most reliable, too.

There's more insulation in the cabinet. A heavy-duty compressor that's both isolated and insulated. An energy-saving two-speed condenser fan. Plus special devices to protect the unit from unusual changes in temperature, pressure and voltage.

As you might expect, the Quietline Deluxe costs a little more initially than ordinary air conditioners. But with savings of up to 25% in operating efficiency in the long run it'll cost you a lot less.

Call today for a free, no-obligation installation estimate on the remarkable new Bryant Quietline Deluxe — the air conditioner designed especially for the times we're living in.

Police seek car taken by man for test drive

Granite City police are looking for a white 1974 Buick Riviera which was stolen from J&M Motors, 2310 Nameoki Road, at 5 p.m. Thursday and was believed for a time to have been used in the abduction of an employee of the used car lot.

The employee, Clyde Tyler, 1737 Olive St., was let out of the auto at the Venice Liquor Store on Broadway at 11:40 p.m. Thursday and said he had not been abducted, but had been unable to get the man who was test driving the auto to return to the car lot.

A black man went to the used car lot at 5 p.m. Thursday and asked to test drive the auto. Tyler was to accompany the man during the test drive.

Tyler said the man drove around Granite City and then said he had to go to St. Louis to get the money to purchase it. They then drove to East St. Louis and then to St. Louis where the man stopped at

several houses to get money. They then stopped at a St. Louis tavern for about one-half hour and went from there to get a woman the driver said was his sister-in-law.

They finally returned to Illinois and stopped at the package liquor store where the driver asked Tyler to go in and purchase a bottle of liquor and two state lottery tickets. Tyler complied and when he came out of the liquor store, the man and woman had driven away in the car.

Tyler walked to the Venice Police Department to report the incident and was later questioned by Granite City detectives who took a report of the incident from him.

GRANITE CITYAN Terry Ravanelli (right) presents a sketch he did of boxing great Joe Louis to the famous "Brown Bomber" recently at Caesar's Palace in Las Vegas.

He's at it again . . .

Terry Ravanelli likes to draw, Joe Louis likes what he draws

By PETE HAYES
Press-Record Sports Editor
GRANITE CITY — Granite City's version of Leroy Nieman is at it again.
Terry Ravanelli, a 20-year old art student at Florissant Valley Community College, was recently commissioned to do a sketch of former heavyweight champion Joe Louis and personally presented it to him at a dinner recently at Caesar's Palace in Las Vegas.

Ravanelli, whose parents (Mr. and Mrs. Frank Ravanelli) own and operate Ravanelli's Restaurant in Granite City, has been drawing famous sports figures for some time. Some of his works hang in the restaurant.
He has sketched St. Louis Cardinal baseball players Keith Hernandez and Pete Falcone, as well as Ted Simmons and

Ken Reitz.
"I've just always been drawing for as long as I can remember," said Ravanelli. "I've never had any special training until I started going to art classes."
He has also drawn many famous political figures. He does most of his work from photographs. But he says he likes drawing athletes best.

Caesar's Palace is planning a salute to Joe Louis, including tributes by Frank Sinatra, Muhammad Ali, former boxing greats Max Schmeling, Billy Conn, Lou Nova and Jersey Joe Walcott, and movie stars Kirk Douglas, Anthony Quinn, Paul Newman and Sylvester Stallone. It will be held at Caesar's Palace on Thursday, June 1. Ravanelli's sketch will be on display at the event.

Douglas asset to Cougarettes

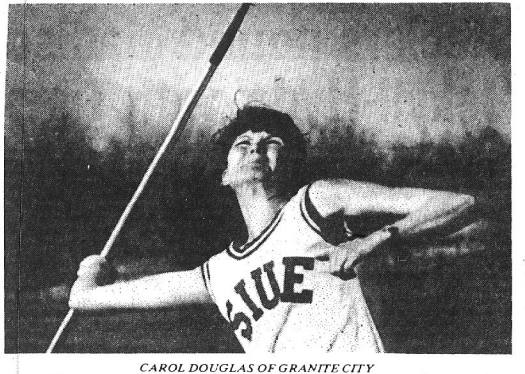

By KATHY SMALL
Self-improvement is a goal many people have. Sophomore Carol Douglas of Granite City, a member of the women's track team at Southern Illinois University at Edwardsville, is one of those people.
"I think I do a little better at each track meet," she said. "I know I can do a lot better. It just takes time."
Douglas participates in the discus, javelin, high jump and hurdles. "I like the javelin the best because I'm doing a lot better at it than the other events," she explained. She said that each time she throws the javelin, her distances are farther and farther, and she is happy with her steady improvement.
At Granite City High School North, Douglas threw the discus for three years on the girls' track team. "I'm losing interest

in the discus. Sometimes I'm good at it, sometimes I'm not. I'll still work at it though," she said.
She also played field hockey for three years and lettered each year. She plans to try out for the team at SIUE next year.
"I like active sports," Douglas said.
"I really like track," she continued. "It's fun, and it keeps you in condition."
Douglas wants to be good at each event, and she wants to be able to help others who have not been on a track team before. "I like individual sports better because in team sports, if I fail, I feel like I'm letting the whole team down. In individual sports, you can cheer for yourself and others on your team."
Douglas complimented Coach Lorraine Stark by saying, "She's a good coach. When she doesn't know she'll go and find out for us."
At meets, Douglas sets her own goals and is happy if she meets them. One of Coach Stark's techniques is having the girls set goals and it seems to be working. In the javelin throw, Douglas captured second place at SIUE's Invitational, fourth

place at the Washington University Invitational, and fifth at the Northern Illinois University Invitational.

At the Principia College Invitational held April 19, Douglas took fourth place in the 100-meter hurdling event. It was

the first time she had ever competed in hurdles. "I'll get better," she predicted confidently.

Girls' state track set

BLOOMINGTON — Competitors from a total of 585 downstate, suburban and non-Chicago Public League schools will converge on 30 different sites the weekend of May 12-13 for district competition as the Illinois High School Association inaugurates its two-class Girls State Track and Field Meet series.
A total of 345 schools will compete in the Class A series at 16 districts, while 240 schools have entered the Class AA series and will compete at 14 sites. Schools with enrollments of 750 or less are eligible to compete in the Class A (small school) series, while schools with enrollments of 751 or more

compete in Class AA series (for large schools). The Chicago Public League schools compete in Class AA. District meets will be conducted either Friday night or Saturday afternoon.
GRANITE CITY North's Steelersettes and South's Warriorettes will enter their district competition on Saturday, May 13 at the Belleville West District.
Madison's Lady Trojans will be entered in the Red Bud Class A series on the same day. A total of 16 teams will be in the Belleville West District and 21 in the Red Bud competition.
QUALIFIERS from district competition and the Chicago Public League will compete in

the State Final Meet the weekend of May 19-20 at O'Brien Stadium on the campus of Eastern Illinois University in Charleston. Preliminaries in the field and running events will get under way Friday at 9 a.m. The finals in both field and running events will get under way at 11 a.m. Saturday. In the running events, the Class A race will be conducted prior to the Class AA race in each event.
The 220-yard low hurdle event, new this year, is the only one of the 16 contested in which only the top finishers in the finals of the district will advance to the State Final Meet.
In all other district events, the top three finishers, which finish third, fourth or fifth and which equal or surpass the minimum qualifying standards, advance to the State Final Meet.
LAST YEAR, the last of the one-class system, a total of 587 schools entered the series, which is six years old.
Tickets for the State Final Meet are priced at \$2 per session and will be on sale at O'Brien Stadium ticket windows each day. There will be no season tickets.

St. Louis U. drops sport of ice hockey

Acting on a recommendation made by Athletic Director Richard McDonald, St. Louis University last week agreed to discontinue intercollegiate ice hockey in an effort to meet budgetary guidelines set down for all operating units of the school.
In McDonald's view, elimination of hockey will still leave the university with a healthy intercollegiate sports program for both men and women.
"Elimination of ice hockey," McDonald said, "will allow us to concentrate our energies and financial resources on programs that are better suited historically to the St. Louis area, and nationally."
In eight years on the SLU scene, teams under coach Bill Selman turned out six consecutive 20-victory seasons while bringing six top tournament titles to St. Louis. But while a winner on the ice, hockey was not a success at the box office. McDonald said the team lost \$112,000 during the coming year.
Elimination of hockey is expected to cut the athletic department deficit by \$112,000, McDonald said. That will leave the university subsidizing athletics by an expected \$500,000 during the coming year.

Soccer Camp

The Third Annual Midwest Soccer Camp will be held June 25-30 at the Granite City Army Depot Field, and will be sponsored by Granite City High School South Soccer Coach Gene Baker and Tolly Tocco, the head coach at Rockhurst College of Kansas City and the 1976 National College Soccer Coach of the year in the NAIA.
In addition to Baker and Tocco, several collegiate players and a professional soccer player will be on hand to give tips and demonstrations. The camp is open to boys and girls ages 6 to 16. Also, for the first time, members of high school teams will be allowed to

attend the camp, according to the Illinois High School Association.
Tocco, Baker and the guest lecturers will be on hand for personal instruction, films and for other clinic activities.
Each participant will receive a T-shirt, lunch each day and a certificate of completion. The price for the five-day clinic is \$40. Anyone interested in the clinic may contact Baker at (314) 831-5382.

Jones receives Sigma Pi award

BLOOMINGTON — Madison High School graduate Ron Jones of Venice has been announced as the recipient of the Sigma Pi outstanding Athlete Award at Illinois State University for the 1977-78 school year.
Jones, a junior, was a starting guard on the ISU basketball team. The award was determined by a popular vote on the ISU campus.

North JV girls second in track

Granite City North High School's junior varsity girls track team earned the second-place team trophy in a field of nine schools at Alton track relays Saturday.
Belleville West took first place with 78 team points and North had 34 points.
North girls placing were: Cindy Goeler, first, and Mary Ann Votoupal 3rd in high jump, Leslie McIntyre fifth in discus, Toni McCann third and Bonnie Williams fourth in mile run, and Deanna Epps fifth in 220-yard hurdles.
The team of Votoupal, B. J. Lybarger, Cathy Kalka and Sherri Coenen was third in the mile relay.
Toni McCann, Kelly Smith, Renee Sharp and Tracy Millard finished third place in the distance medley.
Votoupal, Epps, Kalka and Susan Landys placed fourth in the 800 relay and fifth in the 400 relay.

The Madison High Trojan girls' track team placed third Saturday in the Red Bud Invitational track meet.
The Madison girls finished with 35 points behind victorious Freeburg with 69 and Waterloo, which finished in second place with 44 points.
The beginning of the meet was plagued with rain and the Madison team was forced to contend without the talents of Veronica Williams, mile and two-mile runner for Madison, who was ill.
The absence of Veronica definitely had an effect on the team and the final standings of the meet.
The 800 relay, Walker, Smith, Gloria McNeil and Patricia Allen finished first with a time of 1:54.4.
Lizette Campbell placed second in the 100-yard dash with a time of 1:24, followed by her

Trojans second at Redbud meet

The Madison High Trojan girls' track team placed third Saturday in the Red Bud Invitational track meet.
The Madison girls finished with 35 points behind victorious Freeburg with 69 and Waterloo, which finished in second place with 44 points.
The beginning of the meet was plagued with rain and the Madison team was forced to contend without the talents of Veronica Williams, mile and two-mile runner for Madison, who was ill.
The absence of Veronica definitely had an effect on the team and the final standings of the meet.
The 800 relay, Walker, Smith, Gloria McNeil and Patricia Allen finished first with a time of 1:54.4.
Lizette Campbell placed second in the 100-yard dash with a time of 1:24, followed by her

teammate Patricia Melton in fifth place at 1:24.
The 220-yard dash was won by Terri Smith with a time of :29.9. Following her in fifth place was Alexia Jones in :28.4.
Miss Williams, who was also adversely affected by the cold, wet weather, was pulled out of the mile run later in the day but did run in the mile relay at her insistence.
Coach Long said that "she felt she had to do something for the team, so she asked to run in the mile relay."
Darlene Reed was the only other girl Trojan to place first in the competition with a distance of 34 feet, 11 inches in the shot put.
The Trojans will compete against the South High Warriors tomorrow at 4 p.m. at the Granite City Memorial Stadium.

'It was a good meet'

GRANITE CITY — The day started out as if to be dreary . . . very dreary indeed.

It had rained the night before, and was doing so off and on through out the morning. But that didn't dampen the spirits of the members of some 22 track teams which participated in the fifth annual Granite City South Track and Field Classic Saturday.

The preliminaries started at 10 a.m. and the final lap was finished at about 4:30 that afternoon. A full day of track.

IT WAS a busy sight to someone driving past who didn't have any warning. Two pole vault pits, two long-jump pits, two shot put and discus throwing areas. Distance races and hurdles, and sprints and relays

going on one after another.

And besides all that, the Granite City South baseball team was playing a doubleheader right next door at the South diamond.

"I'll bet the sun comes out and it's 85 degrees about 3:30," said South assistant coach Mel Bunting during a mid-morning downpour.

Sure enough, at about 2:45 that afternoon, the sun made a rare personal appearance for about 30 minutes and then disappeared behind the clouds.

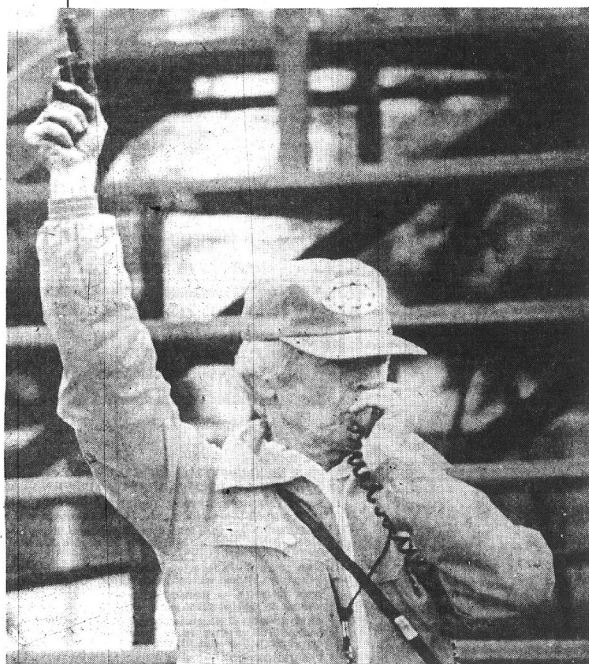

THERE was to have been a "dream mile" with Mike Baker of Granite City North, Bob Weilmuenster of Belleville West and Mark Capelle of St. Paul-Hvond — three of the best distance runners in the state.

But Weilmuenster didn't make the trip because of illness, Baker was feeling the aftereffects of some hayfever, Capelle injured himself in the two-mile, and Roger Dougherty of Ritenour was in the races. He ran away with them.

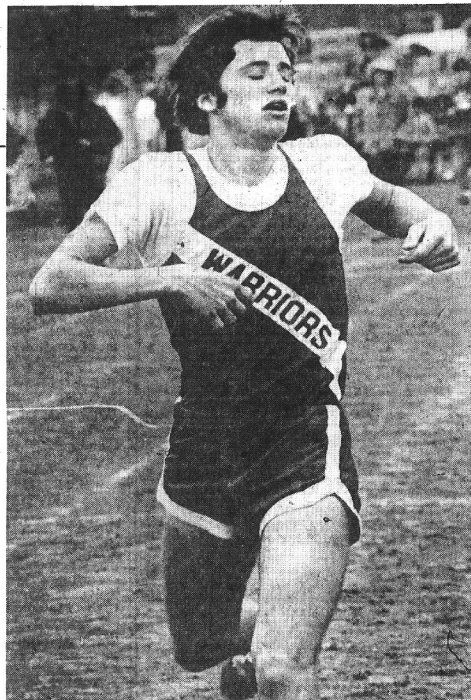

Medals were awarded to many athletes, sometimes to the wrong ones, but it was all cleared up before the teams left.

"It was a good meet," said the visiting coaches to South coach Don Miller afterwards. The winners?

MADISON won the small school title with 26 points and Lindbergh ran away with the large school crown for the fifth year in a row with 84½ points.
